

**A WARM WELCOME  
HOW NICE THAT YOU ARE OUR GUEST**

**In the centuries-old vaulted cellars of Huus Bären, the Magnothek in Huus Löwen and the wine cellar in Huus Residenz, we store our exquisite and carefully selected selection of wine treasures.**

**Our wine cellars currently contain 950 positions with around 8,000 bottles from the best winemakers and outstanding vintages from Switzerland, the Principality of Liechtenstein, Austria, Croatia, France, Italy, Spain, Portugal and Germany.**

**We are pleased to offer you a selection of 135 champagnes.**

**An electronic sommelier in the wine cellar not only provides information about the country and region of origin, the producer, the grape variety, the nose and the taste, but also indicates in which compartment and in which cellar the desired wine can be found.**

**We will be happy to inspire and advise you so that you can enjoy an unforgettable wine experience.**

**Best regards**

**Winemaker Hans Rhyner  
and the entire Appenzeller Huus team**
